Disclaimer

This program is educational in nature. It does not provide any type of assessment or therapy. The program provides information including text, graphics, images and video on mental health issues and neuro-developmental disorders. In a conversational format, the program refers to publications and online resources for information purposes only. While the program is updated frequently and the information it provides is based on clinical practice and experience, the content is not different to information in books or other online material.

The Content is not intended to be a substitute for professional medical or psychological advice, diagnosis or treatment. The information furnished by this program and the interactive responses are not intended to be professional advice and are not intended to replace personal consultation with a qualified physician or other healthcare professional. Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition. Never disregard professional medical or psychological advice or delay in seeking it because of information provided online or as part of this program.

No claim is made that the information provides is helpful in individual cases. No change in the treatment of any health condition should ever be attempted without personally consulting a health professional. It is the users responsibility to consider the information provided and to discuss its appropriateness with a health professional.

Your reliance upon information and content obtained by you at or through this program is solely at your own risk. The Company does not assume any liability or responsibility for damage or injury (including death) to you, other persons or property arising from any use of any product, information, idea or instruction contained in the content provided to you.

If you have or suspect that you have a medical problem or condition, please contact a qualified healthcare provider immediately.

If you or a loved one is thinking or talking about suicide then you will need to seek urgent medical attention or alternatively call a crisis service such as Lifeline on 13 11 14 or Beyond Blue on 1300 224 636 (Australia). Please consult appropriate health services in your Region.

Liability Disclaimers

The Company does not make any warranty or representation, express or implied, as to the accuracy of the data from which the information is compiled or the accuracy of the information itself, nor the compatibility of the information with any hardware and systems, and specifically disclaims the implied warranties of merchantability and fitness for a particular purpose. You use this program and the material and information in this service at your own risk. The Company shall not be liable for any damages allegedly sustained arising out of use of this program including any consequential, special or similar damages, even if advised of the possibility of such damages.

Restrictions

No material from this program may be copied, reproduced, republished, uploaded, posted, transmitted, commercialised or distributed in any way. Modification of the materials or use of the materials for any other purpose is a violation of copyright and other proprietary rights. The use of any such material on any other networked computer environment is prohibited. All rights, title and interest in and to the materials in this program (including but not limited to all copyrights, trademarks, service marks, trade names and all derivative works) are owned or controlled by the Company.
